

PHOTO CHALLENGE 2016

LANARK COUNTY CAMERA CLUB

AN EXHIBIT OF MEMBERS' TALENT

Time To Get Creative

Our Annual Photo Challenge has always been a popular event and hopefully this year will be no different. We have seen some fantastic and very interesting images from all of our members and hope that you will continue to share your images by participating in this challenge. So get those artistic juices flowing, challenge yourself then present your creative results at our last meeting of the year on June 28th.

CATEGORIES

Water Pleasures: Doesn't this theme open up many avenues. You can certainly let your imagination loose here.

Historical: With the Perth Military Settlement 200th Anniversary Celebrations going on this year it was thought only right to include this theme in the challenge. Nobody can deny the fact that there is a lot of history around here and with all the celebrations, lots of photo ops.

Night Time: As always, our categories are open to interpretation and this one should make some engaging photos.

Doom and Gloom: We all have a dark side or at least a bit of one - your representation of this topic will surely bring out some great responses from the viewers.

Photo Within a Photo: This is a chance to really get creative and stretch your imagination.

Street Photography: according to Wikipedia "is photography conducted for art or enquiry that features unmediated chance encounters and random incidents within public places." This is an art to be explored and the results shared.

In Flight: Here is a category that should appeal to our nature and aeronautic enthusiasts alike although there is also a lot of room for creativity.

GUIDELINES

You choose a maximum of three (3) of the seven (7) categories to display at the June 28th meeting.

The time frame is from Now (May 24th) until Tuesday, June 28th.

Images are to be no larger than 8.5 x 11. PLEASE mount your images on a firm backing such as a piece of foam core. The images can also be matted but not necessary. We ask that you use black or white foam core and/or matting. Member Geoff Stimpson (Perth Picture Framing Shop) is offering to help you with these supplies - an e-mail to follow shortly with details.

Please bring your images in by 6:30 pm so they can be set up to be displayed.

Bring your partner, friend, or another family member to share in the evening, enjoy the images and meet the other members of our club.
